

EDUCATION

Choices are a part of everyday life. Education should be one of those choices. Many families accept the educational experience offered by their local school district without further consideration.

Have you considered the options you have for your child's education?

Every day has teachable moments; we expect those caring for our children to respond in a loving way that is consistent with our values and beliefs.

Your children are a priority.

Their education is one of the most important choices of your life!

Family-Focused

Our school holds to the conviction that educating children is the responsibility of Christian parents. Therefore, the school's authority emanates from the Christian home. Our governing boards consist of parents who profess and promote our Christian values and beliefs.

United Christian Schools represents six Christian schools in Southwest Minnesota: Chandler, Edgerton, Hills, Leota, Worthington & Southwest MN Christian High School.
